

2014 MAJOR SHOWS --- SUMMARY LIST

ALL Major Shows information are at <http://menard.agrilife.org/> under "links". It's very important YOU read the show RULES & REGULATIONS that YOU plan to enter. All major shows requires the Extension Agent to submit "all 4-H entries" online and then mail the "exhibitors" entries & fees (together) prior to the show's official deadline. The following steps will help you to insure that your entries are properly entered on time.

FIRST... Download Entry Cards > or pick up entries at the Extension office.

SECOND ... Turn in YOUR completed summary list, entry forms, and entry fees to the Extension office prior to the **NOV 15 DEADLINE..**

✓ **PARENTS & EXHIBITOR signatures** are REQUIRED on all entry forms (check both front & back)

✓ **SOCIAL SECURITY & QUALITY COUNT NUMBERS** are required. The shows will not accept incomplete cards. Use your mailing address as: Menard County 4-H Clubs - 206 E. San Saba St. Menard, Texas 76859.

✓ **BREEDING SHOW ENTRIES** - Breeding animals can be DOUBLE ENTER in the junior & open shows and must pay fees for both shows. Be sure to mark both columns if planning to enter both. A copy of your Registration Papers is required at entry with all breeding entries. (Exception: Br. Sheep were turned in with the state validation forms)

✓ **EXHIBITORS PASSES...** Exhibitor receive 1 pass; others must purchase extra passes. Passes can be purchased at the show. Most shows daily passes range from \$5-10. It will be cheaper to pay daily than purchase a season pass if at the show less than 3 days (unless you plan to come and go during the day).

✓ **CAR PASS** - Most shows public parking is about \$10 & often closer that Exhibitor parking. Some shows limited car passes based on number of exhibitors entered. When shows limit their passes per county, the following order will be used to determine who will receive the car pass 1) County Livestock Transporter 2) Drawing from requests

THIRD ... SCHOOL REQUEST ...INDICATE THE DATE (s) that you will need an approved excuse- Example: List the dates - like Feb. 3-4-5...don't put down 3 days → that doesn't tell us which day (s) you will need an excused for. Keep in mind ► The Extension Office must submit requests 30 days in advance & your school has the final approval. Exhibitors still need to check with school officials before leaving for a show that the request has been granted.

EACH EXHIBITOR will need to complete a separate Livestock Summary Form.
